

GET TO KNOW YOUR THERAPIST

ERICA SCARBROUGH

Occupational Therapist, MOT, OTR

Erica is originally from Clifton, Texas and graduated with a Masters of Occupational Therapy from Texas Tech University in 2013.

She is licensed by the Texas Board of Occupational Therapy Examiners and also certified by the National Board for Certification in Occupational Therapy. She exhibits a love for learning and looks forward to broadening her knowledge regarding the field of pediatrics through continuing education.

Erica enjoys working with children of all ages and enjoys collaborating with patients and their families to improve each individual's level of functioning, quality of life, and independence.

Erica enjoys cheering for the Texas Tech Red Raiders throughout the football season, cooking, completing arts & crafts projects, playing volleyball, walking her dog, traveling, and reading. She also loves history and enjoys going to museums all over the country.
