

LILY BLEYTHING

Speech Pathology Assistant

Lily earned her Bachelors of Science in Speech Pathology from Texas Tech University Health Sciences Center in 2019.

Lily has worked in the school setting where she specialized in Language and Articulation Disorders.

Lily enjoys spending time outside with her pup (Camille), going on walks, and swimming. She likes to read, spend time with family and friends, and refinish furniture.

Lily's favorite quote is *"Give thanks for what you are now, and keep fighting for what you want to be tomorrow."*
