

## **ASHLEA KERSEY**

Occupational Therapist, MOT, OTR

Ashlea Kersey graduated with a Bachelor of Science in Kinesiology-Motor Behavior Texas A&M University in 2011 and a Master of Occupational Therapy from the University of Texas Medical Branch in 2013.

She enjoys traveling with her husband, spending time with her family and two dogs.

Ashlea has worked only in pediatrics since graduating. She is passionate about treating this population because she loves being a part of children succeeding despite any limitations they were born with or have developed. She believes OT is fulfilling because we get to play a role in helping children and families achieve goals they never thought possible.
