BRIANNA WILLIAMS

Speech Pathologist, CCC-SLP

Brianna completed her undergraduate degree from Auburn University in May 2017 and earned her graduate degree from Florida State University in August 2021.

Brianna is a certified LSVT Loud clinician. This technique improves communication by helping clients speak with a voice and volume that's easy for others to hear and understand. The treatment is built on tailored exercises that strengthen the voice box (larynx) and speech system.

Brianna loves to go hunting with her husband and spend as much time outdoors as possible! She loves being with family and her dog Tucker. Brianna will never miss watching (*and if possible attending*) an Auburn Football game.

Her favorite scripture is, "*Gracious words are a honeycomb, sweet to the soul and healing to the bones.*" Proverbs 16:24
