AUBREY STONE

Occupational Therapist, MOT, OTR

Aubrey completed her undergraduate degree in Allied Health from Texas A&M University in May 2017 and earned her Master of Science degree in Occupational Therapy from University of Texas El Paso in August 2021.

Aubrey specializes in pediatric occupational therapy.

Aubrey enjoys hiking, creating works of art, adult coloring books, adding new succulents and cacti to my collection of plants, spending time outdoors, playing and cuddling with my rescue pup, Ollie, learning and trying new things.

Her favorite scripture is, *“Therefore, since we are surrounded by such a huge crowd of witnesses to the life of faith, let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us.”* - Hebrews 12:1
