KELSEY WIGGS

Physical Therapist, DPT

Kelsey graduated from Texas A&M University in 2007 with a B.S. in Kinesiology and Hardin Simmons University in 2009 with a Doctorate in Physical Therapy.

Kelsey has loved treating all ages and has specialized primarily in ages zero to three years with a variety of treatment including neurological impairments, torticollis, genetic disorders, musculoskeletal impairments, and developmental delays.

Kelsey's favorite times are spent with her husband and 6, 4, and 2 year old children. "I love everything outdoors from hiking, to gardening, bee keeping, and playing with my two pups and love all kinds of animals. I relax by making jewelry, doing my nails, crafting, and I love to bake!"

Her favorite scripture is, *"Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. He gives strength to the weary and increases the power of the weak. Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."*
