Drainage Work — SH 6 — McLennan County *Mall to Mall Project*

May 18, 2023

WACO – The Texas Department of Transportation – Waco District continues their work on the Mall to Mall project to build continuous frontage road bridges and reconstruct the project corridor.

This Monday morning, May 22, TxDOT crews will close the eastbound SH 6 frontage road and the Imperial Drive intersection. Frontage road traffic will not be able to turn onto Imperial Drive during this closure, and Imperial Drive traffic will not be able to access the SH 6 frontage road during this closure. The closure will allow crews to reconstruct the roadway and install drainage.

The closure is expected to complete in approximately two weeks, weather permitting. Motorists will need to utilize alternate routes, including US 84, Texas Central Parkway, Hewitt Drive, and Bagby Avenue.

TxDOT has [live traffic cameras](#) along the project corridor for the public to view. Feel free to subscribe and check the videos out anytime.
