Speech Pathologist, M.S., CF-SLP

Jenna graduated from Baylor University with a Bachelor of Science in Communication Sciences and Disorders in May 2023 and a Master of Science in Communication Sciences and Disorders in August 2024.

Jenna loves watching movies, traveling, anything Disney, trying new foods, hanging out with friends and family, attending church events, and listening to music.

Jenna's favorite scripture is, "No, in all these things we are more than conquerors through Him who loved us. For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord." - Romans 8:37-39
