

GET TO KNOW YOUR THERAPIST

REBECCA (BECKY) PEACOCK

Physical Therapist, DPT/PT

Becky graduated from Texas Tech University Health Science Center with her Bachelor's degree and soon followed earning her Master's of Physical Therapy in 1997. She earned her Doctorate of Physical Therapy from A.T. Still University in 2021.

Becky specializes in neuro, pediatrics, and assistive technology.

Becky enjoys spending time with her family, sports, and outdoor activities including hunting, fishing, and hiking.

One of the things Becky most appreciates about the Bible is how it is still relevant today and speaks to any of our current day situations.
